Re: *Honeywell International Inc., et al. v. Apple Computer, Inc., et al.*
C.A. No. 04-1338-*** (Consolidated)

Dear Magistrate Judge Thyng:

As you requested during the January 25, 2007 hearing, enclosed is an Order setting an in-person conference on February 22. Robert Benson, counsel for the Seiko defendants (which are manufacturers) and for Kyocera Wireless (which is a customer) has requested permission to participate telephonically, and speak on behalf of his clients if necessary, because he will be out of the country on February 22. Honeywell does not object.

Respectfully,

Thomas C. Grimm
